As a measure towards increasing the revenue of the municipality, the municipal Council have at its General Meeting held on 28th April 1948 passed a resolution praying the benign Government for the application of the provisions of the Amusement Tax Act to Sagar town also very early

The municipality cannot increase its revenue under taxation as it has just revised the assessment on house and lands in this town There are two Cinemas in this town In addition to this, Dramas and Circus and other shows will be staged occasionally No tax of whatever nature have been imposed on the entertainments and amusements in this town It is therefore proposed to bring the provisions of the Amusement Act into force in this town so that the municipality may also derive some income under Section 14 of the same Act
